

Isaac Hathhorn

Restaurant Technology Consultant | SaaS Implementation & Training Specialist

i.hathhorn.963@gmail.com ❖ 63-922-203-1241 ❖ [LinkedIn](#) ❖ [ihathhorn.github.io](#)

PROFESSIONAL SUMMARY

Independent restaurant technology consultant specializing in SaaS implementation, client onboarding, and training for MarketMan and xtraChef. Configures end-to-end restaurant tech stacks — POS integration (Toast, Square), inventory setup, recipe costing, and accounting sync (QuickBooks Online) — with a consistent 4–6 week delivery track record. Available for consulting engagements, contract onboarding roles, and full-time positions with SaaS or technology companies.

EXPERIENCE

MarketMan / Meal Ticket Feb. 2025 – Apr. 2026

Training Specialist Remote | International

Cloud-based inventory management platform serving independent and multi-location restaurants worldwide.

Role & Responsibilities

- Delivered private and group onboarding sessions via Zoom; tracked accounts in Salesforce and Planhat; managed scheduling and client communications via Google Suite.
- Built a Google Sheets case tracker to monitor progress and flag churn risk; developed a Gemini Gems AI app to automate Zoom attendance reporting.
- Co-led training program revamp using Arcade; introduced group sessions and streamlined materials to reduce onboarding time and improve product adoption.

Key Achievements

- **282 training cases closed; Employee of the Quarter Q3 2025** — selected from 21 nominations within first year; merit pay increase.
- **Group training survey (98 responses, 74 launches): 70% Excellent on content, 77% Excellent on feature explanation** — onboarding cut from 8+ weeks to under 6.
- Manager EOY 2025: "surpassed objectives," "exceptional resilience," "identified and rescued churn risk clients."

Independent Consultant — VA United / Fiverr Jan. 2022 – Feb. 2025

Restaurant SaaS Implementation Consultant Remote

Independent consulting practice providing restaurant SaaS implementation and e-commerce services to small business owners.

Role & Responsibilities

- Configured MarketMan and xtraChef end-to-end — POS integration (Toast, Square), inventory and recipe costing, supplier catalog, and QuickBooks Online sync; 4–6 week delivery per client.
- Resolved complex POS-to-inventory sync failures; coordinated with xtraChef support on clients' behalf to full resolution.
- Managed Amazon FBA arbitrage — sourced 1,122 deals (Jan–Jun 2024); expanded into PPC management and Shopify/AutoDS store setup.

Key Achievements

- **5-star ratings across all Fiverr consulting clients** — praised for thoroughness, communication, and fast turnaround.
- **10% deal conversion rate** — avg. £10.70 net profit per unit, median 27% ROI across UK, US, and European marketplaces.

Ayuk's Grill Jun. – Dec. 2021

Co-Owner & Operations Manager Olango Island, Cebu, PH

Fast-food restaurant operation serving the local community in Olango Island, Cebu.

- Managed two outlets — hiring, bookkeeping, supply chain, and retail expansion.
- **Full ROI achieved within 4 months**; created local employment during COVID-19.

EFL Educator | Trainer | Curriculum Consultant Aug. 2012 – Sep. 2021

Korea, Thailand, Philippines, China (Remote)

International English language education serving students of all ages through private academies and online platforms.

- Designed curricula, led after-school programs, trained teachers, and served as top-performing sales demo instructor across multiple international contracts.
- **Top 13% of 1,300+ instructors** at iTutor Group — 9.9/10 satisfaction; 1,522 classes, 2,036 students. Promoted to leadership role in every contract.

EDUCATION

University of Oregon Jun. 2011

B.S. Mathematics, Minor in History — GPA 3.5 Eugene, OR, USA
